Soft Starts in KS2

Initial feedback from staff and pupils has been very positive. Lucy (school council lead) has been working closely with school council to gather some initial feedback and both teachers and pupils are reporting that lessons are starting much more promptly with a positive impact on learning.

We still have a few children coming in late which is something which we will continue to support.

CALLING ALL PARENTS

Our schools are really up against it. We are facing a funding crisis
as a result of government cuts

Your school could be losing up to 10 per cent of it's funding
In real terms by 2020

We are a national parent-led campaign and we want to stop the cuts
to our schools.

Please come to our meeting and find out how we can join forces to get our voice
heard for Fair Funding for All Schools
