

Academic Year: 2016/2017		Total fund allocated: £9409					
PE and Sport Premium Key Outcome Indicator	School Focus/ planned Impact on pupils- School vision and action plan	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual Impact (following Review) <i>on pupils</i>	Sustainability/ Next Steps
1. The profile of PE and sport being raised across the school as a tool for whole school improvement	Provision for ICT to be used and purchase of Apps to enhance learning	Purchase of an I-pad to be used exclusively in PE lesson and enable a wide range of applications to be used by pupils	£450		Pupils will be able to access appropriate fitness apps in lessons and can use videos as an assessment tool. It will also be linked to large screen for greater understanding.	Very useful, supported and extended learning for all.	To continue using them in lessons and possibly purchase a few more so more children can use at the same time.
2. Implement 'Daily mile' in to daily time table. This will be trialled in Y3 and 1C.	To be completed at times of day when pupil demonstrates low levels of attention.	To participate a minimum of three times a week preferably in the afternoon to act as a play time transition from KS1.	£100		Results from programme launch in Scotland and international implementation.	Y3 were unable to continue with this and stopped before Christmas. 1c managed to carry on throughout the year but did not notice any significant change in children.	To explore other models and trial them with select classes to then use across the school.

3. Increase confidence, knowledge and skills of all staff in teaching PE and sport	Provision of Courses to improve the teaching of various sports	We aim to send sports specialist staff member on courses for MovNat, Gymnastics, PE lead network meetings x3 and Skipping.	£1,000		More confidence in delivery of specialist units and extension to existing learning.	Not all courses attended. Staff benefited immensely from the courses completed and was able to deliver at a higher standard, children were challenged and supported at a greater depth.	To complete courses unable to attend and get more staff to attend.
4. Broader experience of specialist sports and activities offered to pupils.	Provision for wide range of outdoor activities for KS2 pupils that stretch beyond the PE curriculum.	The Place partnership for dance, rock climbing for upper KS2 to compliment the new junior playground climbing wall.	£1,500		An increase in confidence of students and a greater awareness of skills and opportunities to be active in their lives	Unable to provide rock climbing. The partnership with The Place was a success and we will continue with it next year.	To explore activities that do not require specialist equipment that can be delivered at school.
5. Broader experience of a range of sports and activities offered to all pupils	An investment in new equipment and resources to introduce new sports and develop wide range of existing sports like fishing, tag rugby and to celebrate winning the Camden Cross country.	Purchase: Additional rugby balls, dodgeballs and a range of different sized and material balls. Recondition winner's shield for Cross country & purchase medals for entire squad.	£500		Pupils to have a greater knowledge and experience in a variety of new sports. Increased performance in CSSA competitions and Inclusive competitions	Delivered a wider range of after school clubs. Attendance was good over all. The school finished 3 rd best sporting school and most improved sporting school receiving trophies for both.	Deliver further training for children who demonstrate ability at greater depth to and for those who are emerging as well to improve the over all sporting standard.

	Purchase of gymnastics and fishing equipment.	New climbing frame constructed in lower hall. Purchase of Turbo spring board. Replenish fishing equipment.	£1,500		An improvement in the quality of Gymnastics lessons.	The existing climbing frame did not need replacing. Fishing equipment was not replaced. The new spring board supported all the children across the school.	Look at delivering fishing in spring and replace equipment. Continue to expand gymnastics by incorporating other disciplines – trapeze or parkour.
6. Engagement of pupils through International festival week.	Plan and deliver dance and sports from around the world in PE and play times.	Purchase materials, resources and equipment to support delivery.	£1,000		Children learnt about history, cultures and origin of sports from around the world	Gained a better understanding and respect for other cultures and sports.	To focus on particular sports or regions in depth.
Increase activity levels in the school playgrounds through Skipping	Contact Lee.... For training of staff	Purchase of larger skipping ropes.		Not able to deliver.	We used some equipment from jump for heart initiative.	To explore this in Spring term.
