

Dear parents and carers,

It is with huge regret that I am writing to inform you that the school will be closed tomorrow. This is following consultation with our Governors and Camden. Despite our best efforts, we have been unable to resolve health and safety concerns following the collapse of a section of roof above the office.

We have arranged for all appropriate areas of the school to be scaffolded and structural engineers to survey the building during the closure. We are working very closely with Camden to find a permanent solution so the children can enjoy their playgrounds and we can enter and exit the school safely. It is our intention to only close for one day. Please keep an eye on texts and emails for any updates tomorrow.

We thank you very much for your patience at this time. I am sure you understand that keeping the children safe is our first priority. If you have any questions, please do not hesitate to contact us.

Yours,

Laurel Robin  
Headteacher
