

Wednesday 17th July

FAB collage illustration books

Dear parents/carers,

As part of this year's FAB project, every class across Brookfield worked with artist in residence, Mark Oliver. Using a variety of collage types, they created images to inspired written pieces of work which were later illustrated using the same collage style. These pieces have now been published into books and shared with parents in our 'Giant Book Corner' event.

Each class around the school will receive one copy of each book for their reading corner. In addition, parents and carers are invited to order their own copy of any of the FAB books to take home! Each book will cost **£12** (one free copy for each Pupil Premium child), payable by cash or cheque only. This money pays for the cost of the book as well as a small donation to the FAB budget. If you would like to order your own copy, please fill in the slip below and return to the office with the appropriate amount included. The book will be ordered and given out at the beginning of the autumn term.

Yours sincerely,
Emily Price
(FAB & Arts lead)
