Wednesday 15th January 2020

Dear Parents and Carers,

I am writing to let you know that Alex Comana will be our music teacher until Julia Reid's return from maternity leave in the summer term. We were lucky to have Stephen Ellis for half a term and he has moved onto other commitments. Alex is currently studying part time for a masters in Sonic Arts so he is well placed to teach music and he already knows all the children, having taught classes from Nursery to Reception as a Higher Level Teaching Assistant.

Alex will be teaching music on Mondays, Wednesday and Fridays and so we will need to move junior choir to a Wednesday 3.30 – 4.30pm starting from 22nd January. I apologise for any inconvenience this change of day has on families, and would like to offer free places at after school club on Thursdays for families who have pre-existing arrangements, please let the office know if you would like to book your child in, free of charge. The choir will be well supported as they prepare for the Royal Albert Hall performance on 10th March.

Infant choir and orchestra will restart in the Summer term to give the children time to prepare for the summer fair and assemblies.

If you have any questions about music provision, do get in touch on the gate, through the office or by email admin@brookfield.camden.sch.uk

Yours,

Laurel Robin
