

	Monday	Tuesday	Wednesday	Thursday	Friday
Maths	See Hegarty for tasks set to complete across the week.				
	White Rose sheets will be uploaded onto Google Classroom, the videos to go alongside them can be found on <a href="https://whiterosemaths.com/homelearning/year-6/">https://whiterosemaths.com/homelearning/year-6/</a>				
	White Rose Week 3 Lesson 1 - Fractions	White Rose Week 3 Lesson 2 - Fractions	White Rose Week 3 Lesson 3 - Fractions	White Rose Week 3 Lesson 4 - Fractions	
	Optional Challenge: Try the maths investigation uploaded onto Google Classroom.				
Reading/ Phonics	Listen to audio 5. page 12-14 of Kensuke's Kingdom. Then answer the questions.	Listen to audio 6. page 14-16 of Kensuke's Kingdom. Then answer the questions.	Listen to audio 7. page 17-19 of Kensuke's Kingdom. Then answer the ques	Think about what happened this week in Chapter 3 of Kensuke's Kingdom. Then complete the activity on Google Classroom.	BANK HOLIDAY!
	Read a book of your choice for at least 20 minutes everyday				
Writing Based on Kensuke's Kingdom.	Imagine you are Stella the dog! What would you say to Michael right now about how you're finding the adventure so far? Watch the video we'll post to give you an idea of how you might sound....	Imagine you are Michael. Write a postcard sent from <b>Brazil</b> . Use the links on Google Classroom to research information about Brazil to include in your postcard. Draw a picture for the front of your postcard.	Imagine you are Michael. Write a postcard sent from <b>South Africa</b> . Use the links on Google Classroom to research information about South Africa to include in your postcard. Draw a picture for the front of your postcard.	Imagine you are Michael. Write a postcard sent from <b>Australia</b> . Use the links on Google Classroom to research information about Australia to include in your postcard. Draw a picture for the front of your postcard.	

PE	Do at least 30 minutes of exercise every day. This might be going out for a walk or bike ride, playing with a ball in the garden, doing a dance video or doing Joe Wick's daily PE lesson live at 9am				
<b>Every day choose a different subject from below and complete the task</b>					
As a scientist	Measure your heart rate as you do different activities. Can you find an activity which gets your heart rate beating at over 120 beats per minute?				
As a computer scientist	See Purple Mash for a task which requires you to build your own 3D game. There are 'how to' videos which should guide you through it.				
As an artist/ design technologist	Using junk modelling, can you create a London Landmark? Rummage through the recycling and see what you can come up with! Share your creations on Google Classroom.				
As a historian/ geographer	Go on a treasure hunt around Roman London. See Google Classroom for Lucy's video guide.				
As a musician	Suggestions from Alex				
<b>Want to do something more?</b>					
Special interest	An activity which develops something you are interested in. This could be dancing, cooking, drawing, writing, gardening, designing your own comic...just discuss it with your parent or carer to check that it's ok to do! You can share these on Google Classroom so the whole class can see what you have been up to!
