23rd October

Dear Parents and Carers,

In order to improve communication between school and home during this time of Covid, we will be using Google Classroom from after half-term. We will be posting regular photos and updates on activities in each class and will also be able to share details about Forest School, Focus Children and other important events. Google Classroom also has lots of useful resources to support your child's learning at home. Best of all, it can be accessed from a computer, tablet or smartphone.

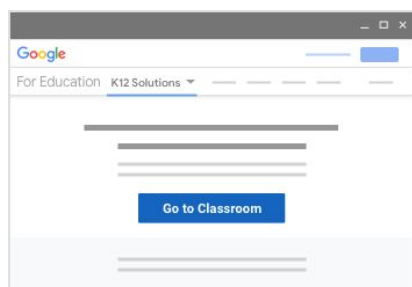

We have already uploaded videos of some of the reception team (from both classes) for children to enjoy during the break. Instructions on how to access your child's Google Classroom are attached.

If you have any questions or need support logging on please email reception@brookfield.camden.sch.uk

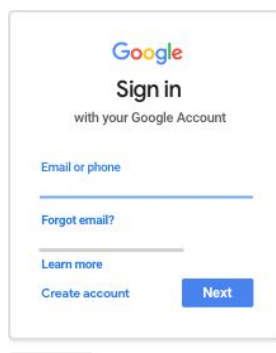

Best wishes,

The Reception Team

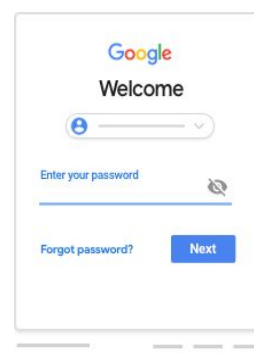

1. Go to classroom.google.com and click Go to Classroom.

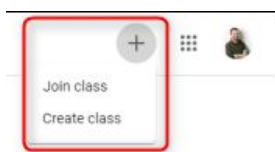

2. Enter the email address for your classroom account and click Next.

3. Enter your password and click Next.

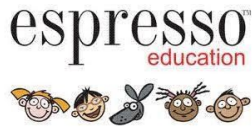

4. Click the waffle button on the top right hand and choose 'classroom'.

5. You may need to click + to join a classroom and add your classroom code.

If you need to access Purple Mash, Busy Things, Espresso or other school programs:

1. Go to my.uso.im
2. Choose "USO Login"
3. Use your MyUSO username and password to sign in.
4. Click on "Resources" to access all the programs that you need from this homepage.

If you do not login via this website, you will not be able to access the different programs.
