Each year group has planned and costed their trips for the year. The school allocates funds towards this and the PTA also make a donation. We are therefore asking for an annual voluntary contribution of £30 from parents and carers **who are not in receipt of pupil premium**.

The contribution can be paid online via your child's Scopay account. If you would prefer to pay in instalments, then this can also be arranged with the school office. For anyone wishing to contribute more, we would also be extremely grateful for any extra financial support to offset against the overall costs.

Please fill in the Google Form by clicking [here](#) to provide permission for the trips and workshops planned for this year by **Friday 4th November**. Unfortunately, if you do not complete the permission slip, we will not be able to take your child on the planned trips. Emails will be sent via the school newsletter providing details of each trip and workshos and asking for parent volunteers.

Your contributions will enrich your child's learning. We know that many of you contribute to the work of the school in other ways, by giving your time and energy helping in class, on trips, or with fundraising activities and we are extremely grateful for this.

Yours sincerely,

Laurel Robin
