1st Oct '22 - 1st Apr '23
Lunch: £1.00

Community Lunch Clubs

*We want to make our community better
– where everyone has a chance to succeed, and nobody gets left behind.*

Our lunch clubs already offer great value at £2.50 for a 3 course meal.
We buy our food direct from Waitrose, as we want you to feel valued and special in the services we provide.

At Highgate Newtown Community Partners we also understand how hard it has become for our visitors with higher utility bills and food costs; that is why we feel the need to work harder to support our local community. Due to the support of our public donors, we are delighted to announce that from 1st October 2022 to 1st April 2023 we are cutting the price of our lunch to £1.00 in the hope it gives our local community a little extra help.

Today we can also announce our “Stay & Play Under Five’s Sessions” that will allow access to a free meal for the children who attend. This is also about keeping that bit warmer in our buildings, connecting with other people and making friends.

We feel this is a super offer to the local community.
