Summer programme.

Together we can reduce the risks and keep young people safe during the summer and beyond.

Social media awareness.

Training and how to supervise young people safe online, as well as information about IT, Zoom, Microsoft Teams and more.

County line training.

Understanding how county lines operates, and how to reduce the risk of grooming.

We support parents and carers with the following issues through online training:

- Education around the misuse of drugs and alcohol
- Supporting parents and carers with young people who have neurodiverse conditions.
- Young people who have experienced trauma.
- Young people experiencing mental health issues or depression
- Information around why some young people carry bladed items.
- Speech language and communication needs,
- Navigating the education system, and how we can keep young people safe within the community, as well as diversion workshops that help support parents on how to divert young people on to a positive pathway.

The Parent Empowerment Champions Scheme

The Parent Champions are a group of motivated volunteer parents. The group often run coffee mornings in schools. They work in schools and community groups, in partnership with the integrated gang's team around community safety with young people. The group advocate against youth violence, reducing knife harm, they want to tackle violence against women and girls, and reducing school exclusions for young people.
